**PROGRAM:** Introduced by fellow Rotarian Matt De Camp, today's speaker was Jason Gehman of PRSM Healthcare. Jason is a Tioga County resident that recently moved to Wellsboro from Knoxville. PRSM serves as a call center offering medical scheduling via phone call, email, letter or text for colonoscopy and endoscopy providers and employs 25 people.

**ANNOUNCEMENTS:**

Child and Infant CPR is in the process of being scheduled. For those of you that signed up, if there are any dates that work better for you than another please let President Cindy know as soon as possible.

If there is anyone in the club that has contact with Brenda Freeman, the superintendent of Wellsboro Area School District, please let Jim Tutak or President Cindy know. The club is trying to reach out to the school district for potential membership and a connection for our Interact Club.

**CONGRATULATIONS!** Many of you know that President Cindy has been looking for a new job and she is excited to announce that she will begin working in Mansfield in the next couple of weeks! Unfortunately, her new position may limit the amount of time she can attend our meetings in the future and Dawn has offered to help fill in through the rest of her term. Congrats again Cindy!

If you missed it last week, our speaker was our very own Matt Baker. Matt gave us an update on the ongoing issues regarding the opioids crisis. Thank you for all your hard work Matt!

**Potential New Members!** Roger Bunn has expressed interest in joining the club and the board is also reaching out to Clint Owlett as well. If you know of anyone else that would interested in joining our ranks, please contact President Cindy or any board member.
