PROGRAM: Introduced by fellow Rotarian Bob De Camp, today's speaker was Steve Bortz. Steve is the head pharmacist and manager of the pharmacy at Soldiers and Sailors Hospital. Steve has headed up a project to update and bring into the 21st century, the medical code carts which house all medications used in emergency situations in our local hospital as well as multiple other hospitals in the surrounding area. The system uses a computerized scanning program to inventory, update expired meds and track any medicine recalls.
