PROGRAM: Introduced by fellow Rotarian Sam Seaman, our speakers today were Crystal Saltzman, Executive Director of Endless Mountain Pregnancy Center and Sharon Quimby former task manager and office manager of Heart of Tioga Pregnancy and Parenting Support as well as Sam himself. Heart of Tioga is a local non profit Christian based organization committed to offering free and confidential support to individuals facing pregnancy decisions as well as parenting related issues. Hoping to open their doors later this fall Heart of Tioga will offer a variety of free services including ultrasounds, pregnancy tests, emotional and spiritual support and a wide range of pregnancy and parenting classes as well as educational programs for men. Individuals of the education programs will be able to earn baby bucks which will allow them to get any number of baby related items such as car seats, clothing, cribs and diapers in their baby boutique. Heart of Tioga is being mentored by the Endless Mountain Pregnancy Center and is affiliated with CareNet and NIFLA, the National Institute of Family and Life Advocates. If you would like to check out their new facility, they are hosting an Open House Saturday November 9th 2:00-4:00 and is located at 14072 Route 6 Mansfield, PA at the junction of Routes 6 and 660.
