

The program for the week was Club Assembly with Bill Yacovissi, who provided the club members with a look at the new website. He gave a brief overview of how to navigate the site. The new site will replace Club Runner, and provides many of the same functions. Bill provided members in attendance with a handout that shows how to place items on the calendar and access the club contact information. Bill encouraged members to add events other than Rotary events, so members will be more likely to visit the site. Bill answered questions posed by members. He encouraged members to take a look at the site.
