Richard Black passed around the newspaper, so members could take a look at the Rotary Christmas Card in last week's newspaper.

Member's who attended the Foster Children's Christmas party were in the photo taken by Richard.

On another note, Yvesan is now staying with the Tsao family. The Tsao family owns the Dumpling House Chinese Restaurant on Main St. Richard suggested that we plan a dinner at the Dumpling House to support them. Richard also asked for volunteers to help transport Yvesan to and from Athens on the weekend of Jan 7th and 8th. Yvesan is attending an Exchange student function in Quakertown and can car pool from Athens or Toward.

President Mike brought up several discussion topics for the Club Assembly.

1. Club Membership

We have 3 new potential members.

New members will be mentored to help acclimate them into the club.

2. Fundraisers

Looking for ways to improve the Rifle Raffle. Many other organizations are doing rifle raffles, so we should look at ways to improve interest and sales.

A bunch of ideas for new fundraisers were discussed.
Some of the ideas are listed:

Casino Night

Bus Trip

Show and Dinner

Sponsor a speaker night

Cruise

Auction

3. Rotary presence in the community was discussed. Ideas such as a Rotary Facebook page with a contest or a “Find the Rotary flag around town” type activities could be a fun way to get the club noticed.

The topic of possible alternative meeting times was also brought up when talking about holding a “Sponsor a Speaker Night.”
