**PROGRAM:** Introduced by President Cindy, this week's speaker was our own Nicole Quezada. The Dominican Republic holds a special place in Nicoles heart as her father is Dominican and therefore she wants to give back to the country. She is preparing to participate in a medical/dental project in the village of La Pascuala in November. Rotary International has had a presence in La Pascuala since 1994 when a clinic was funded to provide medical services to local residents and then in 2004 a dental facility was added to provide much needed dental services. Over the years the mission has expanded and in conjunction with the Harrisburg Rotary Club and Temple University Dental School they are able to provide essential dental treatment for children and adults in the area. If you are interested in volunteering or donating to this very worthwhile cause, please let Nicole know.
