### **PROGRAM:**

Introduced by Rotarian Dawn Bowser, our speaker today was Robin Adams. Robin is the Executive Director of Asa's House. Asa's House is a non-profit residential recovery facility serving Wellsboro and Tioga County concentrating on helping infants born dependant on illicit drugs and abused or neglected children in the court system. Robin's story is a personal one in that she and her husband Sean became foster parents to Asa who was born dependant on illicit drugs when he was only 3 ½ weeks old and two years later they adopted Asa. Asa's Place will be the first facility in the state of PA to provide not only a recovery facility and emergency shelter, but court appointed special advocate programs, as well as a children's advocacy center. Taking on a project of this proportion is very costly, if you would like to donate or would like more information, please check out [www.asasplace.org](http://www.asasplace.org) or contact Robin at 570-948-1361.
